Dear Parents, Friends, Sponsors and Merchants,

The Staten Island Chinese School is pleased to announce that another successful school year will be ending on June 15th, 2019. Every year we ask our community to support our school by placing advertisements and boosters in our annual school journal. We encourage our parents, family & friends to use our journal to tell our students of your love and support. If you would like to place an advertisement/booster in our journal or to make a donation to our school, please kindly fill out the attached form and return by **Saturday, May 11, 2019**.

The Staten Island Chinese School was founded in 1971. This year marks our 48th anniversary as a non-profit educational organization. Our school has been a significant resource in the study of the Chinese language for students on Staten Island. Our board members are all volunteers.

Classes are from 9:30am to 12pm every Saturday. An optional hour of after school activity is offered from 12pm to 1pm. Activities have included Chinese Abacus, Sketching, Folk dance, Arts & Crafts, Conversational Chinese and other Chinese cultural activities. Events such as Chinese New Year celebration and Speech Contest are held during the year. We invite you to spread the word of our school.
